Traveler

Hi Adventure Bookings,

I'm planning a family trip in December and would love your assistance. Our group includes myself, my spouse, and our two children (ages 8 and 12). We're interested in destinations with wildlife, hiking, and outdoor activities. Our tentative dates are from December 15th to 22nd with a budget limit of \$8,000 USD.

Looking forward to your recommendations!
Best regards,

Travel Agency
